CURRENT

Meta Superintelligence Labs – Research Scientist

EXPERIENCE

2026 - present: Meta Superintelligence Labs – Research Scientist

- LLM efficiency:
 - Efficient inference for LLMs
 - Efficient LLM modeling (LLM architectures)

2022 - 2026: Meta AI, FAIR – Research Assistant

- Research topics:
 - LLM efficiency (architectures and inference methods)
 - Reasoning LLMs for code generation and math problems
 - Speech language models (SpeechLMs)

2023 - 2024: Hebrew University of Jerusalem – Lecturer

- Lecturer of the “Advanced Natural Language Processing (ANLP)” course

2020 - 2022: Google, Cerebra – Research Intern (Full & Part time internship)

- ML driven solutions for real life tasks (mainly research, some production work):
 - Research topics: NLP, TTS (Research publication and approved patent)

2019 - 2020: Google, Search Console – Software Engineer (Part time internship)

- SAN Insights Provider: Generating insights for Search Console users (deployed)

2017 - 2019: Hebrew University of Jerusalem – Teacher Assistant

- Teacher Assistant; “Introduction To Computer Science” course

EDUCATION

2022 - 2026: Hebrew University of Jerusalem – PhD in CS

- Research Advisors: Prof. Roy Schwartz and Dr. Yossi Adi
- Main research topics:
 - LLM reasoning and planning for math and code generation
 - Efficient mechanisms and inference methods for LLMs
 - Speech language models (SpeechLMs)
- Publications presented in [Google Scholar](https://scholar.google.com/citations?user=Hassidm)

2020 - 2022: Hebrew University of Jerusalem – MSc. in CS (excellence program)

- Final GPA: 98.19
- Honors: cum laude
- Research Advisor: Prof. Roy Schwartz
- Main research topic: Attention Mechanisms in LLMs

2016 - 2019: Hebrew University of Jerusalem – BSc. in CS (‘Amirim’ excellence program)

- Honors: summa cum laude
- Final GPA: 97.22

AWARDS

Meta AI- PhD program (PhD)
KLA scholarship for excellence (PhD)

Graduated cum laude (MSc.)
CS excellence program of HUJI (MSc.)
Ulman scholarship for excellence students (MSc.)

Graduated summa cum laude (BSc.)
Amirim CS excellence program (BSc.)

Dean’s List:
2017 (Bsc.), 2018 (Bsc.), 2020 (MSc.)
Dean’s Award:
2018 (Bsc.), 2020 (Msc.)
